Home

Take pause for just a moment
And look up to the skies
I want to show you heaven
As seen through joyful eyes

The moment I arrived here
I saw the sweetest sight
All those who'd gone before me
Surrounded by His light

They reached out and embraced me
And instantly I knew
That I'd fulfilled my purpose
And one day you will too

It's natural you are sad now
But try to let that go
There's overwhelming peace here
And beauty all aglow

We have no pain or suffering
No thought of right or wrong
No one here's an outsider
Each one of us belongs

There is no sense of judgement
His light reveals our soul
Each one unique and perfect
We make each other whole

So when you really miss me
Just cast your eyes above
Remember, I am home now
And sending you my love…
