Grand Canyon Lullaby

*Moonlight is filling the canyon,
casting a hush all around.*

*Brave little lights in the distance,
sing a Grand Canyon Lullaby...Softly, Softly.*

*Softly a pine tree is bending,
brushing the sky with its bows.*

*Echoing winds of the ages,
breathe a Grand Canyon Lullaby.*

*Lonely hearts come together,
lonely souls are entwined.*

*Loneliness fades into stillness,
leaving a search for peace of mind.*

*When moonlight has covered the canyon,
lingering yet is the sound.*

*Of the contentment life whispered,
in the Grand Canyon Lullaby...Lullaby, Lullaby.*
