

Geneva Fulton (affectionately known to many as "Neva" and/or "Aunt Geneva"), the daughter of the late Mary Agnes and James Roscoe Fulton was born in Kingstree, South Carolina on April 14, 1942.

Geneva came to Philadelphia at an early age. She received her education in the Philadelphia Public School System, graduating from Simon Gratz High School.

After graduating high school, Geneva worked for a short period of time as a Candy Striper Pennsylvania Hospital. Geneva enjoyed working alongside her brother and sister for the Inquire Newspaper. For many years Geneva was employed through Garment Worker Union at the Quartermaster and Albert Nippon. This job brought out her great sense of style and fashion. And, WOW, could she dress!

During Geneva's younger years, she was an avid "Pitty Pat" player. She enjoyed playing cards from sunup to sundown. You had better have the right cards and watch out because she would be the first to fall out on you. After winning many games, we all knew that she would tuck away a dollar or two and ask for her play.

After retiring, Geneva spent her later years at Angela's Court where she spent time at Star Harbor and St. Edmonds Senior Community Center. Geneva enjoyed spending time with her senior friends, especially Ms. Gloria, playing cards, going to bingo, going on trips and dancing.

Geneva spent many years at Wayland Memorial Baptist. She enjoyed attending services thus, becoming a faithful member.

On January 14, 2026, with her best friend, Ms. Gloria Mosby by her side, Geneva Fulton peacefully completed her life's journey.

With the support and love of her family members, her good friends and her devoted great-niece, Antionette Williams and second son-adopted Ronald Fulton, Geneva really enjoyed her later years. She spent many days giving and receiving love, hanging out til dawn and laughing until she cried. She will be extremely missed by all.

For My Auntie

I'll miss your kindness and your love.
I'll miss your happy smile.
And I promise that every single day, I'll remember for awhile.
We shared something truly special,
something that can never be replaced.
A bond that the years can never fade memories
that time cannot erase.
To lose you brings such sadness, but know that you live on.
In my heart and in my memory,
shines the guiding light you shown.
So sleep now softly, angel, In your eternal rest.
To have called you my auntie/mom, I was truly blessed.

Love, Ronald

Our Phenomenal Aunt Geneva

Of all the special gifts in life, however great or small
to have you as our Aunt Geneva was the greatest gift of all.
May the winds of love blow softly and whisper in your ear
"we love and we'll miss you and desperately wish that you were here"
In our hearts, your life will be kept to love and never be forgotten
No more tomorrows we will have to share, yet in our hearts and memories,
those yesterdays will always be there.
Each of our silent thoughts and our secrets shed of tears
will keep your wonderful memories forever near
Because remembering you, Aunt Geneva will be easy
For those we love don't go away, they walk beside us every day

Your Nephew, Jimmy Fulton
