In Loving Memory Of
Herbert Morgan Dumas
April 21, 1983 - December 20, 2022

Herbert was born at 11 am on April 21, 1983, to parents Marlene Hart and Roland Dumas. Herbie spent his early years when the wood stove was still used for warmth/cooking, when wood was gathered, when water was carried from the beautiful lake, when families still went hunting/camping, when playing for endless hours in the fields, Puk mountain, down the hill and up the hill, was always a great adventure. Wherever family gathered, Herbie was there enjoying the company of his loved ones.

He earned his name "Herbie the Lovebug" by his aunts because he was so lovable and respectful towards them. He never called his aunts by name, he called them all MOM.

He spent precious years in Thompson helping his mom, his sister Amy and brother Sonny take care of their baby brother Curtis. Finally returning home to Pukatawagan and continued to nurture and strengthen the ties with family and friends.

Herbie worked with many people who became family to him. Nikawiy Health, Giant Tiger, Morris Health Centre, to name a few. He always put his best effort forward to ensure the job was done.

He protected and provided for his nieces and nephews the best way he knew how, whether it be through words, comfort and being there for them. He was stern and wanted them to be the best they could be.

Herbie was known for his loud, spontaneous and contagious laughter. A sound that touched the hearts of those around him. He enjoyed outdoor activities, barbeques, cooking, family gatherings, visiting and parties. He did what he could to bring happiness to others. He loved everyone in a strong passionate way. His powerful presence attracted family and many friends to his side.

Herbie loved his many children with all his heart and wanted more than anything to continue being part of their lives in some way. He always talked about them with pride and love for each of them. He showed his love for them whenever he had the chance to.

Those closest to him knew the many battles he fought within. He went through turmoil, trauma and deep sadness. He could not get past the grief from the loss of his beloved baby brother Curtis. Many family members and close friends tried to keep him on this earthly plain.

On December 20, 2022, the doorway to the spiritual world opened and Creator and his Ancestors received his loving presence to suffer no more.

Native American Prayer

I give you this, one thought to keep.
I am with you still, I do not sleep.
I am a thousand winds that blow,
I am the diamond glints on snow,
I am the sunlight on the ripened grain.
I am the gentle autumn rain.
When you awaken in the mornings hush,
I am the swift uplifting rush...
Of quiet birds in circles flight.
I am the soft stars that shine at night.
Do not think of me as gone -
I am with you still, in each new dawn.
