Forever loved,
forever missed. ♡

Baby Ronny

You were here for a moment,
but left an imprint
on our hearts forever.

*Always my baby boy.
Always my angel.*

There are some lives so small in measure
of days, yet so infinite in the love they
awaken. Tiny hands that never held ours
for long, little feet that scarcely touched this
earth, and a heart that forever changed
every heart it met.

Though your precious baby could not
stay, their life was never without
purpose. Love does not count its worth in
years, but in the way it forever marks a
soul. In one brief, sacred moment, God
entrusted you with a miracle— and
Heaven called that miracle home.

May you find comfort in knowing that
your little angel has never been alone. The
angels welcomed this precious child with
songs of joy, and the arms of Jesus became
their forever home.

"For He will command His angels
concerning you to guard you in all your
ways." — *Psalms 91:11*
