

DEAR MOO-MOO

You gave no one a last farewell, nor ever said good - bye.
You were gone before we knew it and only God knows why.
A million times we will say we miss you.

A million times we will cry because we miss you.
In our hearts you hold a special place no one else will ever fill.
It broke our hearts to lose you, but you didn't go alone.
Because part of us went with you the day God took you home.
I thank God, he made you, my brother: We know you are in a better place. Kiss Unique for us. Tell her she is missed, and we love her so much. You'll be missed beyond measure, and it will always be my "Brother's Keeper".

ALWAYS AND FOREVER IN OUR HEARTS.

Love your sister's

MOO-MOO

We feel such a special closeness to you. We always have. We guess it's because, from the beginning, you have been there with us growing up. Encouraging us, listening to our troubles and cheering us on along the way. Now, as we're all getting older, it seems even more important to thank-you, and tell you how much you mean to us. We love you dearly and we feel so fortunate to have had you in our life. You will always be a part of us forever!

Michael Anthony BOOTH Jr.

On a snowy winter day of February 18, 2003, Michael Anthony Booth Jr. was born in Baltimore, Maryland to Eugenia A. Gale and Michael A. Booth Sr. In his infinite wisdom, God called his angel home on November 25th, 2022.

Born the 6th child of Eugenia, Michael was the child that brought his mother back to life again. Michael was a good kid. His infectious smile and laugh warmed all who encountered him. Such a gentle soul. All the girls loved Moo-Moo!

Michael attended the Renaissance Academy School, where he received his high school diploma in August 2021. Michael could be caught on the PlayStation playing Grand Theft Auto and talking smack. Rapping was also another pastime of his, making beats and creating graphic designs, which lead to him creating "ABOUT BREAD". A clothing line he wanted to bring out. And let's not forget blowing that gas!

He was preceded in death by his sister Unique, uncle Charles and grandmother Janie.

Michael leaves to cherish his life and memory: his mother, Eugenia Gale; his father, Michael Booth Sr.; grandmother, Patricia; God Mother, Tracy; four sisters, Chanell, Michelle, Niaisha and two bonus sisters Natisha & Tyneshia; four brothers, Michael, William, Marvin and Tamarcus; aunts Theresa and Jacqueline; uncles Kevin; a host of nieces, nephews and cousins; and a Girlfriend Makiah.

With just a remembrance of a smile or a gesture from Michael, would remind all of us of our resounding bond we share with Michael whether surrounded by family or friends or simply sharing private moments. Our love will always be with Michael. While his passing has left a hole in our hearts, Michael's spirit and memory will live forever.

"He will wipe every tear from their eyes. There will be no more death or mourning or crying or pain for the old order of things has passed away."

- Revelations 21:4

"A butterfly lights beside us like a sunbeam and for a moment, its glory and beauty belongs to our world. But then it flies on again and though we wish it could have stayed we felt lucky to have seen it."

Forever MOO-MOO
