"Mom, Elizabeth Head, where do I even begin? You were more than just a mother to me; you were my guiding light, my shelter in the storm, and my soul's safe haven. Your unconditional love, gentle patience, and selfless devotion inspired me to become the person I am today.

Your stories, wisdom, and life lessons are etched in my heart forever. I cherish the memories of our laughter, tears, and quiet moments together. You had a way of making everyone feel seen, heard, and loved.

As I navigate life without you, I find solace in the values you instilled in me: kindness, empathy, and resilience. Your legacy lives on through me and our family, and I promise to keep your memory alive in our hearts.

Thank you, Mom, for being my rock, my confidante, and my forever love. I'll miss you every day until we meet again. Your loving daughters, Genevieve, Rona and Raven.

## *"A Warrior's Love"*

*A heart that beat with courage true,  
A soul that fought, with strength anew.  
Through trials and tribulations, you stood tall,  
A shining star, that guided us through it all.*

*Your love was pure, your spirit bright,  
A beacon in the darkness, that lit the night.  
You faced each challenge, with a warrior's might,  
And in your eyes, we saw a love, that shone so bright.*

*Though your body weakened, your spirit remained strong,  
A testament to your will, that never did go wrong.  
You taught us to cherish, each moment we share,  
To love with abandon, and to show we care.*

*So as we say goodbye, to this earthly frame,  
We know that your love, will forever remain.  
In our hearts, your memory will stay,  
A warrior's love, that guided us along the way.*
