## *I Am Free*

*Don't Grieve for me, for now I'm free.  
I'm following the path God laid for me.*

*I took his hand when I heard him call.  
I turned my back and left it all.*

*I could not stay another day.  
To laugh, to love, to work or play.*

*Tasks left undone must stay that way.  
I found that peace at close of day.*

*If my parting has left a void,  
then fill it with remembered joy.*

*A friendship shared, a laugh, a kiss,  
ah yes these things I too will miss.*

*Be not burdened with times of sorrow.  
I wish you the sunshine of tomorrow.*

*My life's been full, I've savored much.  
Good friends, good time, a loved one's touch.*

*Perhaps my time seemed all too brief ~  
don't lengthen it now with undue grief.*

*Lift up your hearts and share with me.  
God wanted me now; He set me free.*
