***After Glow***

*I'd like the memory of me  
to be a happy one.  
I'd like to leave an after glow  
of smiles when life is done.  
I'd like to leave an echo  
whispering softly down the ways,  
Of happy times and laughing times  
and bright and sunny days.  
I'd like the tears of those who  
grieve, to dry before the sun  
Of happy memories that I leave  
When life is done.*

*Leaf after leaf  
flower after flower  
some in the dawn of day  
some in the after hour.  
Alive they flourish,  
and alive they fall  
and the earth that sustained them  
receives them all.*

*A Mother holds her children's hands for a while. . . .  
Their hearts forever.*
