SUCCESS

*To laugh often and much;
to win the respect of the intelligent people
and the affection of children;
To earn the appreciation of honest critics
and endure the betrayal of false friends;
To appreciate beauty, to find the best in others;
To leave this world a bit better, whether by a healthy child,
a garden patch, or a redeemed social condition;
To know even one life has breathed easier
because you have lived.
This is to have SUCCEEDED.*
