*Missing you Yesterday,  
Today and Always*

*No words we write can ever say,  
how much we love and will miss  
you every day,  
As time goes by, the loneliness  
grows, how much we miss you,  
nobody knows.*

*We think of you in silence and yet  
will forever speak your name.*

*But all we have are our memories  
and pictures in a frame.*

*No one knows our sorrow. No one  
sees us weep.*

*But the love we have for you, is in  
our hearts to keep.*

*We will never stop loving you, we  
know we never will.*

*Deep inside our hearts, you are  
with us, STILL.*

*Heartaches in this world are many,  
but ours are worse than any,*

*Our hearts still ache as we whisper  
low, we love you, and miss you so.*

*The things we feel so deeply are  
often the hardest to say,*

*But we just can't keep quiet  
anymore, so we'll tell you anyway.*

*There is a place in our heart, that  
no one can else can fill,*

*We love you so, our precious child,  
and we always and forever will.*

***We Love You Stacy!***
