CELEBRATING THE LIFE OF

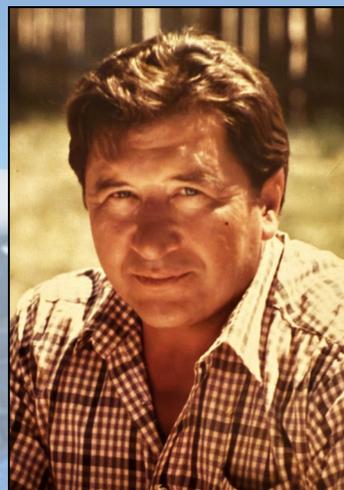

*Samuel Gene Martinez*

April 26, 1945 ~ January 16, 2025

Dear Father,

I come to You tonight in the middle of a storm  
to ask for Your protection and keep me safe from harm.

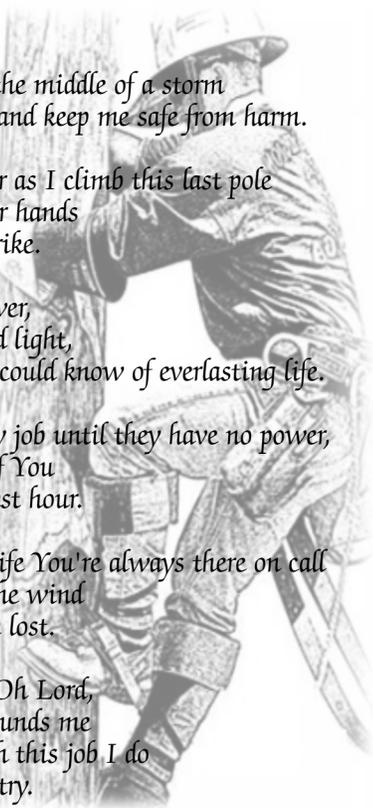

Only You know the danger as I climb this last pole  
and place my life into Your hands  
between each lightning strike.

It reminds me of Your power,  
how You spoke and created light,  
then sent Your Son so we could know of everlasting life.

Few people think about my job until they have no power,  
just as some don't think of You  
until they're in their darkest hour.

Through many storms of life You're always there on call  
to stop the rain and still the wind  
and restore the light we've lost.

Thank you for Your love, Oh Lord,  
and Your power that surrounds me  
and for showing it through this job I do  
as a lineman for this country.  
Amen
