

Life Well Lived

*A life well lived is a precious gift,
Of hope and strength and grace,
From someone who has made our world
A brighter, better place.*

*It's filled with moments, sweet and sad
With smiles and sometimes tears,
With friendships formed and good times shared,
And laughter through the years.*

*A life well lived is a legacy
Of joy and pride and pleasure,
A living, lasting memory
Our grateful hearts will treasure.*
