## A Good Man Never Dies

*His legacy lives on  
Through the people that he’s touched  
His wisdom is what’s remembered  
His flaws gone in the wind  
His smile deeply embedded*

*A good man never dies  
He lives on for eternity  
Although we are mourning  
Joy will come back  
Because his always did  
Despite the trials and tribulations that life brings*

*A good man never dies  
Memories are prominent and keep us pushing forward  
He shall motivate from a new angle  
Now our good man is a guardian angel  
A good man never dies, and this isn’t goodbye  
Always, Later*
