

# Obituary

It is with deep sorrow that we announce the passing of Gregory Jones, age 68, on November 9, 2024. Gregory departed this life at Doverwood CareSpring Facility in Hamilton OH. He was surrounded by the love of his family and left behind a legacy of strength, love, and resilience.

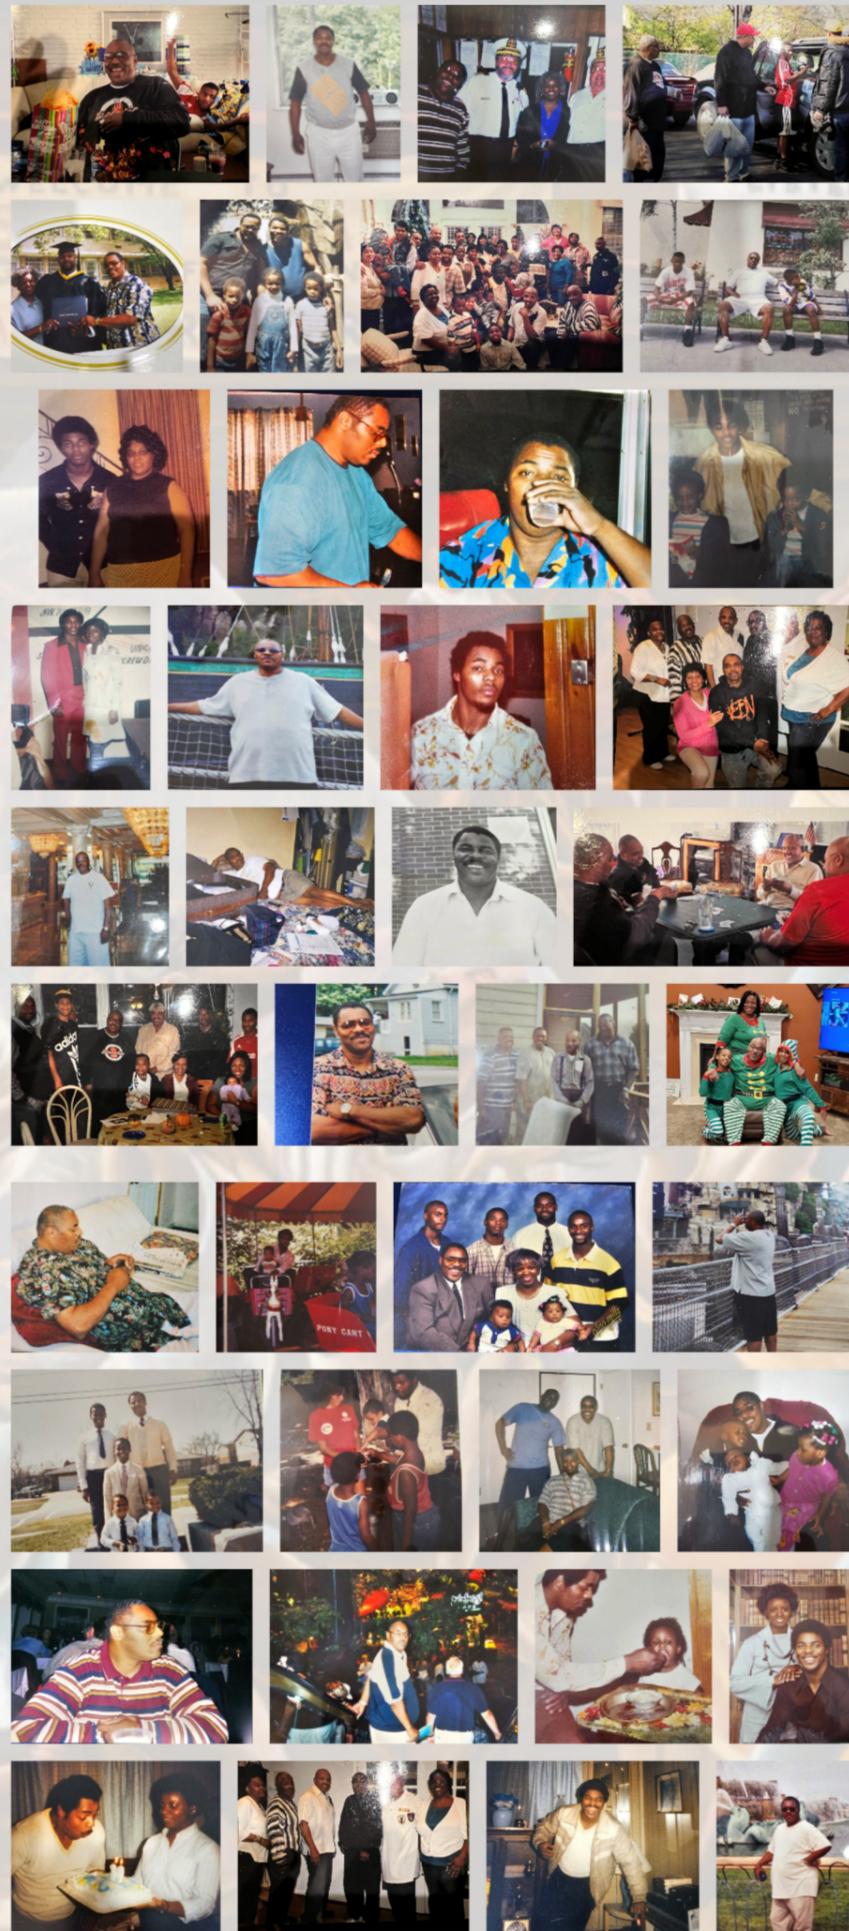

Born on November 21, 1955 in Cincinnati OH. He was a proud graduate of Woodward High School. He worked at Dixie Food market as a young man and continued his work career in chemical industry, starting at Hilton Davis and ending with Emery Chemical. Gregory's work was more than just a job; it reflected his passion for making a difference in the lives of others. He always talked about work and the number of chemical products the company made for the public. He didn't miss any days of work, and he prided himself on leaving home early to ensure he arrived to work on time. After retiring from the chemical field Gregory started a second career as a Home Health Aid for disabled adults. After four years of working with that population he decided it was time to retire from his work. He settled into the first home he bought 55 years ago at 3338 Donald Street Cincinnati OH. Gregory devoted much of his time helping others who needed help and seeing his grandchildren after retiring.

Gregory Jones was a father, grandfather, brother, and friend. He will be remembered for his warm smile, kind heart, and the countless ways he touched the lives of those around him. His grandchildren were his pride and joy, and he never missed an opportunity to share stories of their accomplishments and dreams.

In his spare time, Gregory AKA (DJ The Mac) enjoyed going into the basement of his home and playing with his record collection. He loved music so much that he found much joy and excitement at DJing parties which he faithfully did from the late 80's into the early 90's. On any given Saturday he would faithfully wake up the whole house playing music routines and practicing his favorite DJ line, "Music to music, nonstop music Coming to you live and direct, The Mac". No matter the music routine, Renee & Angela was always a part of it I'll Be Good and Marvin Gaye Got to Give It Up.

Gregory is preceded in death by Mary Jones (Mother), Clarence Jones (Father), Rosemary Jones (Sister), Archie Jones (Brother), Francis Jones (Sister). He is survived by his loving children Remus Jones, Sherry Jones (Daughter-in-law) Gregory Jones Jr., Marcus Jones and Christopher Jones, Janice Jones Ex-Wife, his cherished grandchildren Niya Jones, Laci Jones, Naomi Jones, Tariyah Jones, Eric Jones and two great-grandchildren, his siblings, Howard Jones, Lawrence Jones, Vickie Hubbard, Lynn Wells, and a host of extended family and friends who will miss him dearly.

Gregory's love and legacy will live on in the hearts of all who knew him. He will be deeply missed but never forgotten.
