### *Crossing Over*

*Oh, please don't feel guilty  
It was just my time to go.  
I see you are still feeling sad,  
And the tears just seem to flow.*

*We all come to earth for our lifetime,  
And for some it's not many years  
I don't want you to keep crying  
You are shedding so many tears.*

*I haven't really left you  
Even though it may seem so.  
I have just gone to my heavenly home,  
And I'm closer to you than you know.*

*Just believe that when you say  
my name, I'm standing next to you,  
I know you long to see me,  
But there's nothing I can do.*

*But I'll still send you messages  
And hope you understand,  
That when your time comes to "cross over,"  
I'll be there to take your hand*
