Obituary

Camarion "Fatt" Grady and Jamarion "Frog" Grady were born on December 1, 2006 to Daaiyah Blacks and Marshall Ray Clemons.

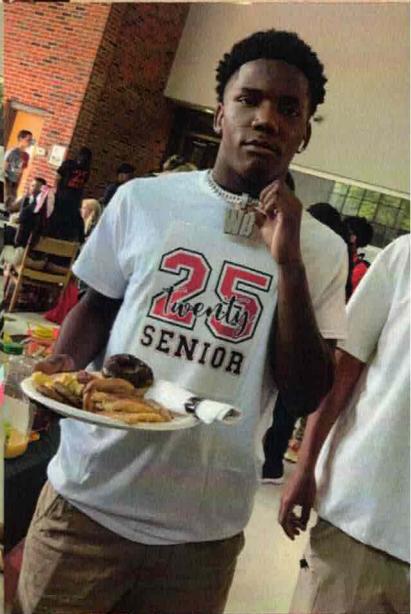

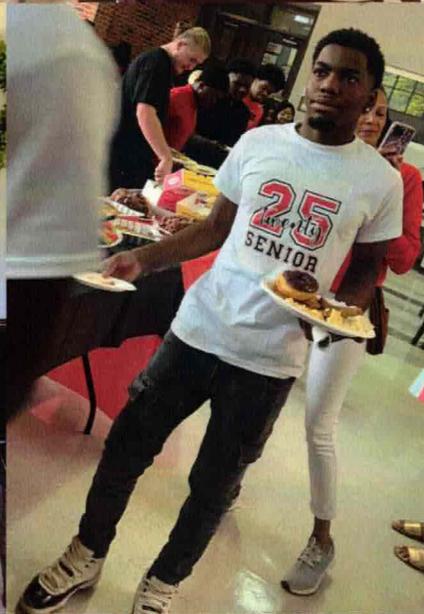

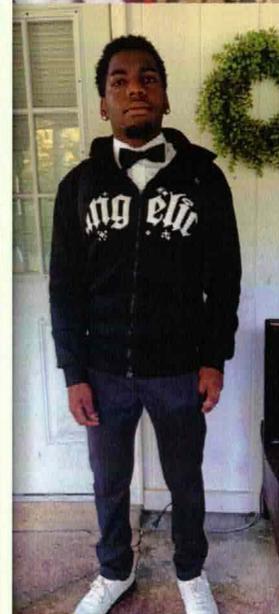

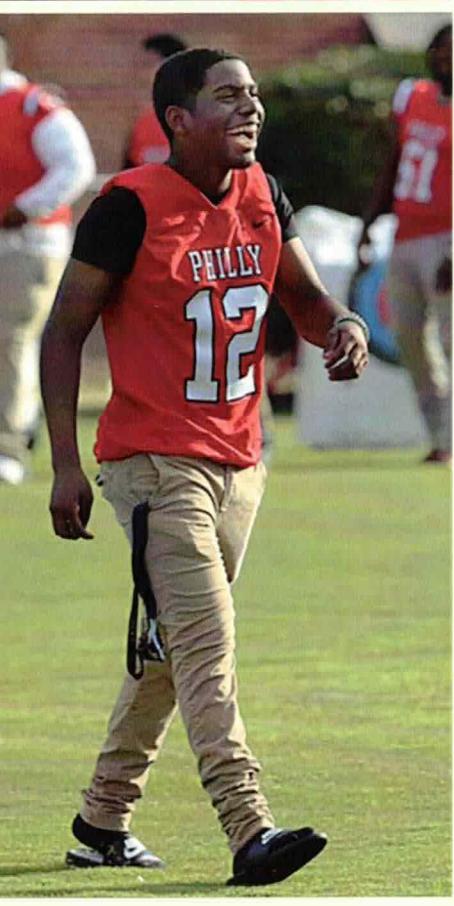

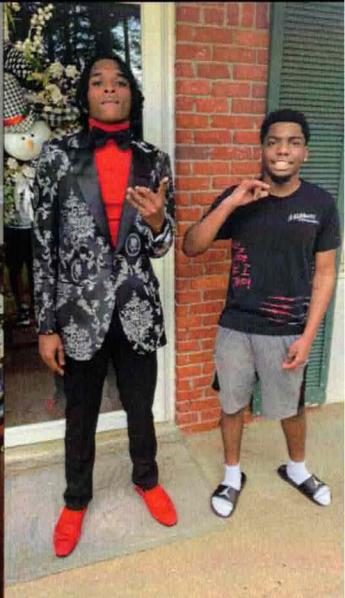

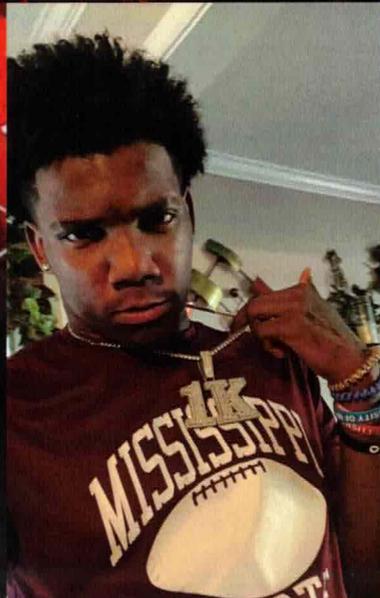

Camarion and Jamarion were raised and resided in Philadelphia, Mississippi. They attended and graduated from Philadelphia Public School. Camarion and Jamarion were better known as Fatt and Frog to their family, friends, and classmates, their community, and anyone else they came into contact with. Fatt and Frog were ambitious about getting jobs once they were old enough. Frog later found employment at Hardees and Fatt at Sonic Drive in. The twins were known to do everything together, from teasing their siblings to playing 2k and Fortnite. They would soon follow in their mothers' footsteps by learning how to fish. These twins were unstoppable and excited to soon go off on their own to show the world what great young men they were.

Camarion and Jamarion enjoyed spending time with their family and friends. Growing up, all they knew was football. It began with Philly Youth Football, branched over to middle school football, and eventually High School Football, which all took place at Philadelphia Public School. This was their life, sports, fun, meeting new people, and being helping hands. Let's not forget about the love of money!

Jamarion "Frog" Grady departed his earthly life on Thursday April 17th, 2025 at Choctaw Health Center. Camarion "Fatt" Grady departed his earthly life on Sunday April 20th, 2025 at University of Mississippi Medical Center.

Camarion "Fatt" Grady and Jamarion "Frog" Grady leave to cherish their loving memories, their amazing mother and father Daaiyah Blacks and Rodney; their siblings Ja'Qualon Brown, Danajah Willis, Darius "DJ" Grady, Kae'leigh Blacks and Khloe McClendon and a wonderful host of continued brothers and sisters; their grandparents, Robert (Muriel) Hill and Bobbie Mae Clemons.

IN LOVING MEMORY OF THE BRAVEST SET OF TWINS

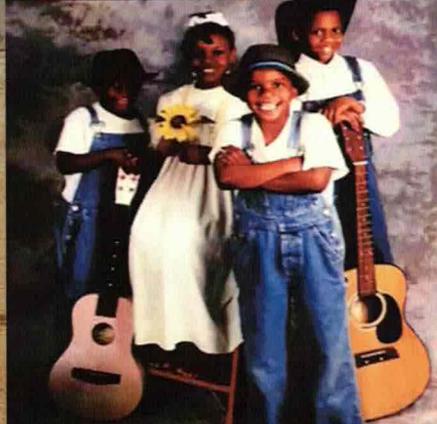

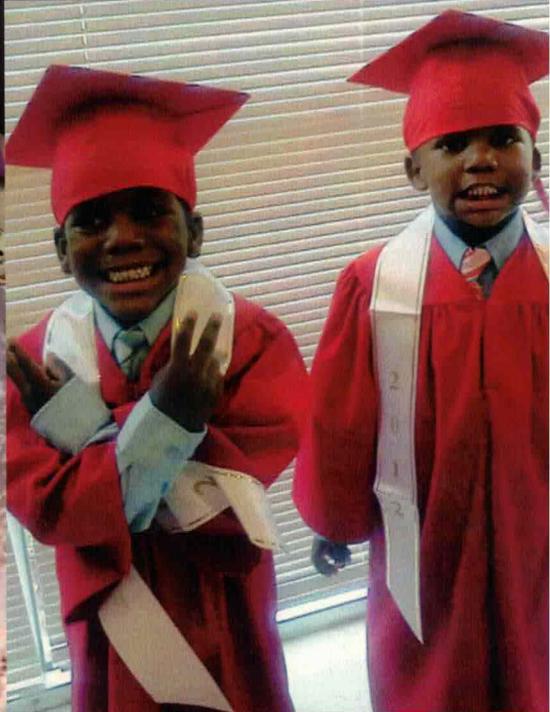

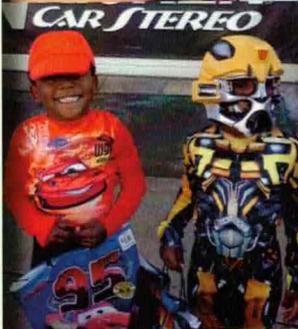

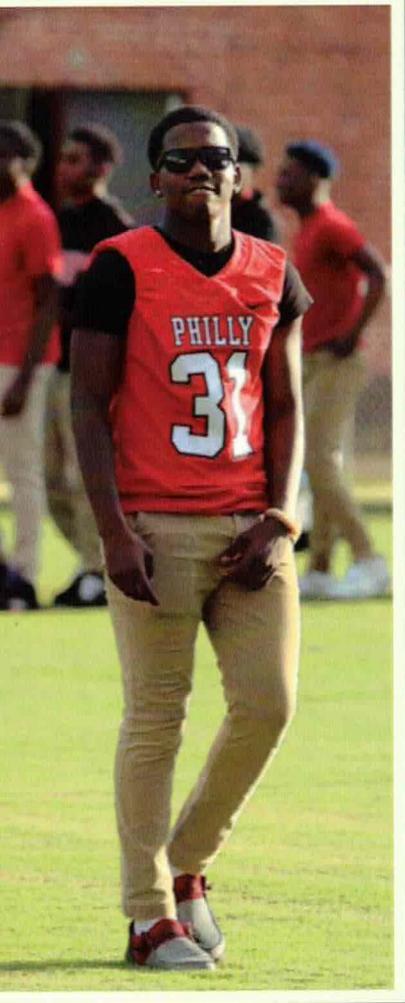

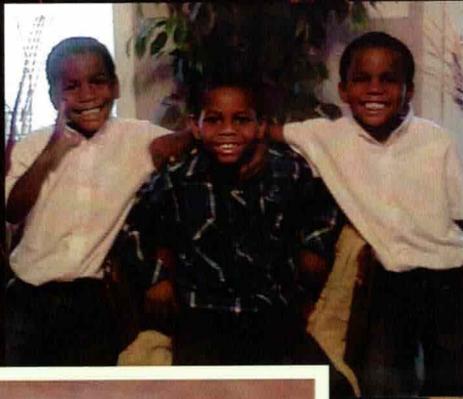

Twins, since both of you passed away life hasn't been the same. Neither you warned me or prepared me for this day. I would move heaven and earth if I could just to have you both here with me again.

The time we spent together meant the world to me. I wish I could hit replay. I have many treasured memories as we grew up together, happily!

I am grateful for the 18 years we had and the times we shared. We laughed. We fought. Your thoughtfulness and loyalty and the way you both always cared.

You both are just the greatest. The greatest set of twin brothers I could have ever asked for. I miss you both endlessly but know that love for you both is never ending.

Love always, Your big sister
Danajah "NINI" Willis

ONE UP TWINS

I have always loved you both from the bottom of my heart. It hurts so bad to see both of you leave me like this, but I 100% know that there is a better place. We really did almost everything together. If it wasn't playing the game, it was laughing out loud. We always spent quality time together but now waking up; it doesn't feel the same at all. I promise you both, I Got mama! From kids to teens, you both fought very hard for mama. The twins will always be remembered as fighters. I am going to continue to be the biggest, the greatest, the smartest, hard working man ever! I love you Frog! I love you Fatt.... so much!

Forever and always
Big Brother, Darius "DJ" Grady

MEMORIES THAT WILL LAST FOREVER FOR MY TWIN BROTHERS IN HEAVEN

I hide my tears when I say both your names, Frog and Fatt! The pain in my heart is still the same. A life full of memories and every single one of them is filled with happiness. One memory I have was when I was laying in bed and Mama DeDe told me, "If them boys outside, let them stay out there because they should have been in the house." Lol! Of course, I wasn't going to leave them outside. I opened up the bedroom window and let both of them jump in head first. You both were special; always such a joy to know and to be with. There is so much pain now that the time has come to let both of you go. That's why this special message is sent to heaven above for the angels to take care of you and give you both Fat and Frog all my love.

Brother Kinte

MY LAST PARTY

When you come to my last party
Don't come with faces long
But come with memories that are pleasant
In your heart let there be a song
The place will be full of flowers
And I will be dressed grand
The only thing I shall be sorry for
I will not be able to shake your hand.

When you come to my last party
Yes, we know it will be
The daily papers will print the invitations
That everyone might see
I am going to hold it in a church-like place
And no one will be turned away
At the place where I hold my party
Many of my friends will come to pray

When you come to my last party
We won't play games
But there will be a register
Where you can sign your name
And as you stand there and sing my praises

In voices so silently
Please do not omit the good things
You know about me
When you come to my last party
My Lord will be your host
Because 'tis He 'mongst all my friends
Who really loves me most
He bore my cross at Calvary
He bears my cross today
When you leave, He will still be with me
To comfort me on my way

When you come to my last party
In spirit I'll be there
And as you stare
At me I'll stare back through closed eyelids
But in spirit I'll be there
And when you say that I look natural
That i s a s i t should be
Because at my last party
Who should look more natural than me?
I did the best that I knew how
It's up to God take care of me now!
