

I Imagine Heaven

*I imagine Heaven
as a peaceful happy place,
where joy and contentment
puts a smile on every face.*

*I imagine many mansions
and streets of shining gold.
Never being sick again,
and never growing old.*

*I imagine Heaven
as a paradise above.
A perfect place where every heart
is filled with pure sweet love.*

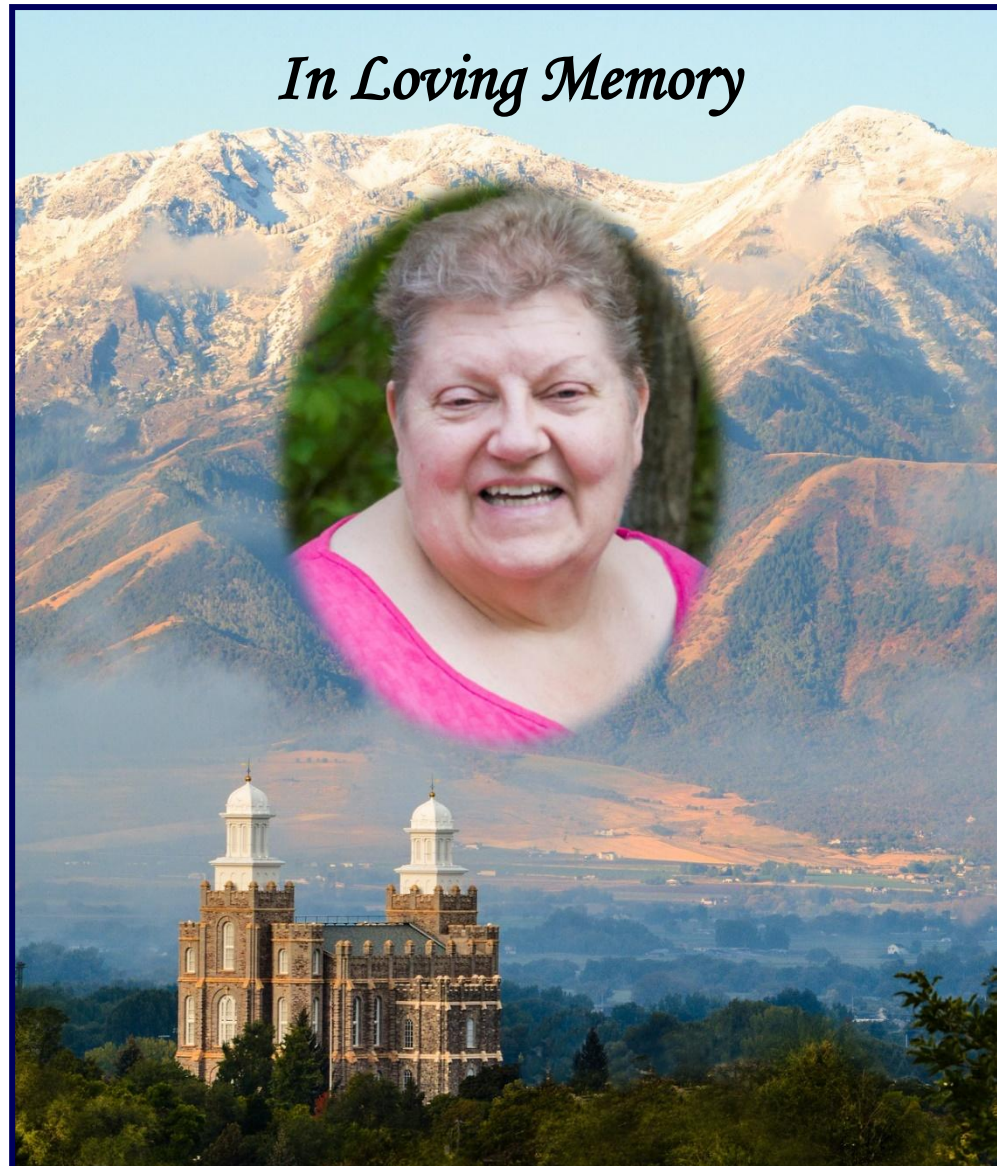

*I imagine Heaven as a place
where dreams come true.
A place where we will one day share
eternity with you.*
