

In Loving Remembrance

*Our family is the focus of our greatest work
and joy in this life, and it will be
throughout all eternity.*

Rudd FUNERAL HOME

*The family would like to express their appreciation for the
angels who aided Shirley in her last few years of life.*

*We are grateful to CNS Hospice care, Jason, for his kind words,
and specifically Misti and Liz, for their compassion and loving hearts.*

*We also want to thank the staff at Our House Assisted Living
in Tremonton; they all made it truly a "home away from home."*
