Great Grandma

Flowers of Remembrance

So now is another journey
June - 11 - 2019 - 92 years old
going on 93. I don't feel old
except my body tells me
different. Never ever thought
I would reach this age.
But God has a purpose for
me, what it is, I don't
know. My life has been
good, no regrets - no
remorse, I live for today
not for tomorrow, who
knows, when it comes I
will be ready.
Love to all
Mom.
