

Thank you for giving me a lifetime of love, for being my husband, and for walking beside me through every season of our journey together. My life was enriched by your guidance, your strength, your unwavering commitment to me and our family. I am grateful for every year, every memory, and the life we built together

I am comforted by knowing that our marriage is eternal and this is not goodbye. Until we meet again, I will carry your love with me and be thankful every day that I was blessed to be your wife

I love you, always.
Cindy.
