Obituary

Mr. Pierre Markell Williams was born on March 4, 1996, at Methodist Medical Center in Jackson, MS, to Teresa Westbrook and two loving fathers, Damon Williams and Damien Plunkett.

Pierre accepted Christ at an early age. He was a faithful member at New Jerusalem Church, pastored by Dr. Dwayne K. Pickett, Sr., in Jackson, MS, until he moved out of the state. He attended Ridgeland High School, where he was a member of the football and baseball teams, and later graduated with the Class of 2014 from North Crowley High School in Fort Worth, TX. With such an outgoing, positive, and uplifting spirit, he gained several friends whom he loved dearly and was greatly loved as well.

He leaves to cherish his precious memories with two children, Paige M. Westbrook and Pierre (Deuce) M. Westbrook-Williams; loving parents, Teresa (Kory Sr) Price of Lillington, NC; Damon (Charmela) Williams of Mansfield, TX, Veronica Berry Williams of Fort Worth, TX, and Damien (Christina) Plunkett of Ocala, FL; grandparents Lola Gower and Peter (Yvonne) Gower, Shirley and Edward Jones of Yazoo City, MS and Chester Johnson, of Detroit, MI; a host of siblings and bonus siblings, Madison Granderson, Keiarlos, Dezyre, Dyavyon, Dontravion, Armani, Dhamon, Kyariun, Deiunze, KyAjii and Haylo Williams, Monze Smith, Bryce and Terry Freeman, Damien, Christian and Dominic Plunkett, Joshua, Sierra and Justin Caudill, Kyerra, Kory Jr, and Kabren Price; along with a host of other nieces, nephews, aunts, uncles, cousins, other relatives and friends.

“The LORD is my shepherd; I shall not want. He maketh me to lie in green pastures: He leadeth me beside the still waters. He restoreth my soul: He leadeth me in the paths of righteousness for his name’s sake. Psalms 23:1-3.

Family Tributes

Pierre, you always brought a special love to my heart. You were always happy and smiling anytime we connected. P, you were always by my side in the first years of life, which brought me great joy! You've helped teach me to be the man I am today, and I will never forget you. I will always love you, son! Until we meet again. Love you always!
Love your Dad, Damien! ❤️

I am so happy God blessed me with another Son years ago, Pierre! I still remember the day I met you in Indiana and how respectful you were. You will forever be in my heart, and you will be truly missed. I love you, son, with all my heart!

Love your Bonus Mom, Christina! ❤️ To my loving Grandson (My Pierre)! Pierre, you were my first grandchild. You were the son I never had. I was oh so happy when your mom allowed me to name you. You were my pride and joy. I am overly proud of all the things you've accomplished here on Earth, from birth to the young man you became and being the most loving and caring to your kids, Paige & Deuce, in every way. Your life inspired me in every way. Your memory will forever live in my heart, each day. Though you are no longer here beside me, your memory lives on every day. I thank God for the blessing of your life, and I will cherish you until we meet again.

Love your MA, (aka Grandma Lola)! ❤️

"Pooh", God has given you PEACE. You were an exceptional child and a remarkable young man who knew how to LOVE. Your talents never ceased to amaze me. From riding a bike at age one, swimming like an Olympic champion, to academic excellence and becoming a master at football, baseball, and lastly being an excellent father. There was nothing you could not achieve. You were raised by a village. You took the best parts from each home you visited and kept them in your heart. You were ALWAYS positive and kept the faith even in the midst of your storms. Your sweet smiling face and laughter will be ingrained in my heart and mind FOREVER. Until I see you on the other side.

Love MA (aka Grandma Shirley)! ❤️

Although you are no longer with me, your silly faces, your sense of humor, and the life lessons you shared will always stay with me. My admiration for you will only continue to grow here and after. I love you more than you'll ever know. Until we meet again, may you rest easy, brother.

Love your Sister, Maddy! ❤️

Of all the special gifts in life, however great or small, to have you as our nephew was the greatest gift of all. May the winds of our love blow softly and whisper in your ear, "We love and miss you and wish that you were here." Deep in our hearts, your life is kept to love and cherish, not forget. No more tomorrows we can share, but yesterdays are always there. A silent thought, a secret tear keeps your memory ever near in our hearts forever. Love you forever, P.P.!

Love your Uncle James, Teetee B.B., and Kim! ❤️

To My Family

If I could have one more conversation with each of you, I would tell you how much I love you and how grateful I am for the time we shared together.

Mom, thank you for every sacrifice you made, every prayer you prayed, and every time you stood by my side. Your love shaped the man I became. Even when life was difficult, you never stopped believing in me. Please don't carry the weight of sorrow alone. Hold on to the memories, the laughter, and the love we shared. I will always be your son, and a part of me will always remain with you.

To my daughter, you brought so much joy into my life. Watching you grow, hearing your laughter, and seeing your beautiful smile were some of my greatest blessings. As you continue through life, remember that your daddy loved you more than words could ever express. Be kind, be brave, work hard, and always believe in yourself. Whenever you miss me, look for me in your favorite memories and know that my love for you will never fade.

To my baby boy, although you are still too young to understand, know that your father loved you from the very beginning. My greatest wish is that you grow up knowing how special you are. Let those around you tell you stories about me, and let my love live on through them. I may not be there to hold your hand as you grow, but I will always be in your heart.

To my Dads, thank you for the lessons, the guidance, and the strength you instilled in me. The moments we shared are treasures I carry with me. Continue to be strong and know that I am forever grateful to be your son.

To my grandparents, thank you for your wisdom, your prayers, and your unconditional love. The values you taught me helped shape my character and gave me a foundation that will live on through my children and family.

To all my family and friends, please remember me not by the day I left, but by the life I lived, the smiles we shared, and the love that connected us. Hold one another close, forgive quickly, laugh often, and cherish every moment together.

Though my journey on earth has ended, my love for each of you never will.

With Love,
Pierre
