BENEDICTION

Daddy

If I could write a story
It would be the greatest ever told
Of a kind and loving dad
Who had a heart of gold
I could write a million pages
But still be unable to say, just how
Much I love and miss him
Every single day
I will remember all you taught me
I'm hurt but won't be sad
Because he'll send me down the answers
And he'll FOREVER be my DAD

Love your Sonny boy
Lil Elontae Jr

My Pain

I hide my tears when I say your name
But the pain in my heart is still the same
Although I smile and seem care free
There's no one that miss you more then me!
You never said you was leaving
You never said goodbye
You were gone before I knew it
And only god knows why
A million times I needed you
A million times I cried
If love alone could have saved you
You never would have died
In life I love you deeply
In death I love you still
In my heart you hold a place
That no one could ever fill
It broke my heart to lose you
But you didn't go alone
For part of me went with you
The day god took you home

Forever in my heart Mia

A letter to Mommy

Wassup ma,

I'm sorry, I'm sorry for leaving you with a broken heart
I'm sorry for leaving without no final goodbye
Ma I love you but you know that, you know that you was my
number one lady an I never meant for this to happen, Ma I
was smiling so hard when I saw boonie with that big smile on
his face I know right then I was good. Ma I know you are
hurting and confused but ma I'm good an will be watching
over you so don't be sad long for I'll visit you in your dreams
Tomorrow is a fresh start that will bring you new memories
go ahead an cry ma I'll wipe your tears but know I love you
now and the up coming years.

Your baby Elontae
