

*So if you're tired of the same old story
Oh, turn some pages
I will be here when you are ready
To roll with the changes*

*I knew it had to happen, felt the tables turnin'
Got me through my darkest hour
I heard the thunder clappin', felt the desert burnin'
Until you poured on me like a sweet sun shower*

*So if you're tired of the same old story
Oh, turn some pages
I will be here when you are ready
To roll with the changes*

*You got to learn to roll with the changes
So, keep on rollin'*

From Roll with the Changes By REO Speedwagon

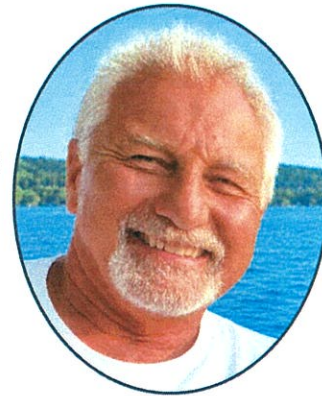

"My Hope"

By Virgil Stine

*When I have come to the end of the road,
I should like to look back and see
That I have done my very best
With the trust that's placed in me.
I should like to know that I have never,
By action, word or deed,
Betrayed a given confidence,
Or forsaken a friend in need.
I should like the consolation,
When I travel the very last mile,
To know I've meant something to someone
And caused those in sorrow to smile.
I know that I shall be happy
If, in the heart of just one
I can leave one lingering memory
Of something good I've done.*
