LIFE'S REFLECTIONS

Susan "Susie" Day Pigg, 61, passed away unexpectedly in her home in Yazoo City on June 24, 2023.

Born July 24, 1961, to Geneva "Tillie" Wooten and Calvin Wooten, Susan lived her rambunctious childhood in Flora, MS.

After graduating from Bentonina High School and studying at Holmes Community College, Susan went on to pursue a gratifying career in Emergency Services. She held many roles over the years, but she took the greatest pride in her work as an E911 Dispatcher. Many regard Susan as the best to ever do the job. But, to her, she wasn't just "doing a job", she was doing what she enjoyed most: helping people. It wasn't just the job that Susan loved; she genuinely loved her coworkers and considered them part of her family. She was even known by many as "Momma". No one ever had to worry about going hungry with Momma Susan on shift. You could always count on Susan for three things: a good laugh, a sympathetic ear, and snacks.

Susan is survived by her loving son, John "Johnny" Ray, and wife, Staycee Ray, along with a host of family and friends.

Susan was preceded in death by her parents, Geneva and Calvin Wooten, and her husbands, Nobby Day (October 15, 2010) and James Pigg Sr. (June 28, 2021).

"Her Journey's Just Begun"

Don't think of her as gone away

her journey's just begun

life holds so many facets

this earth is only one.

Just think of her as resting

from the sorrows and the tears

in a place of warmth and comfort

where there are no days or years.

Think how she must be wishing

that we could know today

how nothing but our sadness

can really pass away.

And think of her as living

in the hearts of those she touched

for nothing loved is ever lost

and she was loved so much.

We love you and miss you!
