*Barbara "Bobbie" Mauch*  
*1945 ~ 2025*

*"Two things in life shape you in ways you never expect—Love and Grief.*

*Love fills your heart, opening doors to a world of joy, connection, and purpose.*

*It teaches you vulnerability, courage, and the beauty of giving yourself to someone completely.*

*Grief, on the other hand, breaks you apart.*

*It steals what you thought you couldn't live without, leaving cracks in your soul.*

*But through those cracks, you grow. You learn resilience, empathy, and the strength to carry on.*

*These two forces, so opposite yet intertwined, change you forever.*

*You are never the same after you've truly loved, and truly lost."*

#### *Appreciation*

On behalf of the family, we express their gratitude for your many kindnesses evidenced in thought, deed, and attendance at the service.
