# A Life Remembered

Jeremy Stewart, 28, of Baltimore City gained his wings February 22, 2023. Born to mother Tamatha Stewart and father Terrence Crawford. Jeremy received his GED while obtaining his Safe Service Certification as he loved to cook.

He was the BEST FATHER, SON, BROTHER, UNCLE, COUSIN, AND FRIEND! He loved his family, and you could always expect him to reach out to check up on you, whether it was a simple phone call or him just popping up. He loved spending time his children, siblings, nephews, and cousins. Jeremy was one of the most outgoing people you would have ever met, and had friends all over, which some of them turned into family to him. Also, whenever he needed somewhere to kick it for the night or just simply needed somewhere to go, you would definitely find him at Cousin Katina house. She always had her door open for him.

He is survived by his mother-Tamatha Stewart; Father-Terrence Crawford; Daughter- Samijai Stewart, Son -Savion Stewart; Big sister- Kimberly; Little sisters- Justice, Shontelle, Kennedi and Bella' Rose; Little Brothers- Jordan, Nashard, Paul, and Terrence Jr.; 3 nephews- Damontre, Anton, and Amari; 2 nieces Di'aga and Nalaani; Grandmothers- Vancine Crawford, Joanne Hyman and Great Grandmother Peggy. Long time friend and mother of his children Alaiyah; Bestfriend's Ali and Smoke; and a host of family and friends. He is preceded in death by Grandfathers: Paul Stewart, Ozee Thomas, and bonus Granddad Major Kitchen. Bestfriends/Brothers Dizzy and Teck.

## *A Message to My First Born*

*I never thought this day would come, the day I lost my first-born son! 28 years on this earth and I still remember the day I gave birth, light skin baby boy with light brown eyes, head full of curly hair and the cutest little smile. I looked at you and knew you would be someone great even with the mistakes I knew you would make. I promised to always have your back and I STILL DO! The memories I have will always remain in my heart. Somehow, I'll sit and wait for your phone call telling me your OK*

*I Love You Forever,*

*Mommy*

## *To My Oldest Boy*

*When you came in this world, I didn't have a clue, as to what you were going to become or what you were going to do. Looking into your eyes I could see your soul; I knew that one day your story will be told. Do as I say and not as I do, I use to preach, your response was look at you dad; how can you teach. You tried to navigate life the best that you could, with those eyes from your grandfather and heart filled with good. I'm just glad through your grandmother you knew about GOD, you knew that Jesus died for your sins and the devil was a fraud. 28 years flew by so fast, I will love you forever and, in my heart, and through your kids my memories of you forever last.*

*Love Always,*

*Dad*

## *A Message to our Daddy*

*They say there is a reason, and they say time will heal but neither time nor a reason will ever change the way we feel. The years we shared will last a lifetime, there will never be a father like ours. We wish we could go back and rewind time when everything felt just fine, but now you up and above with the stars that always shine and just know no matter what you will never leave our mind. We know our ANGEL will forever watch over us and guide us through. We love you Daddy, and we'll miss you.*

*Always In Our Heart,*

*Samijai and Savion*

## *Big Bro*

*We're going to miss you so much! Doesn't feel like the last time, we saw you only a few months ago. It's hard to believe we won't see you again. Hard to believe you're so far away, but even though we don't have you here in the physical, in our hearts your love will stay. Keep your eyes on us down here. Watch over your friends and your kin. We won't claim our sibling circle as broken, it's just a little bent.*

*Forever Your Little Brothers,*

*Nashad and Terrance Jr.*

## *Big Brother*

*You didn't have to go, life cheated us a big brother by taking you away, but in our hearts, you will always remain and the memories we share. We wish we could see you one last time just to tell you how much you really meant to us. We're just happy you knew we'll always love you. You may have left us, but you will never be forgotten.*

*We Love You  
Always,*

*Jordan, Paul, and  
Kennedi*

Dear Ghetto Triplet,

Where Do I Begin,

You were more than a brother, you happened to be a friend. Thoughts never crossed my mind that we will lose you so soon. Your absence is felt so strongly, your laughter would fill any room. So many memories with you, yet many we couldn't create, but you never missed a chance to get your siblings on a date. However, when it came to those kids of yours, it's safe to say you ATE the BEST DAD EVER as Mijay and Savi would say!

We love You,

Justice & Shontelle

Dear Little Bro

Loosing you was like losing myself. I lost the one who I shared all my dreams and secrets with. The one who I never seen no wrong in good or bad; I was always by your side; I always wanted the best for you in any goal you set to achieve. I was there to cheer you on letting you know how proud I was of you. You were more than my little brother, you were my best friend. No matter where I went or how much you got on my nerves, I always made sure to make room for you. It's going to take me forever to recover and I honestly don't think I ever will! Brother, I hope you get this letter and send me a reply. I need to know that you're okay. I love you forever, our bond remains unbreakable even beyond death. Thank You for leaving me 2 pieces of you.

I Love You for Life,

Big Little Sis Kimberly

## THE BROKEN CHAIN

We little knew that day,  
God was going to call your name.

In life we loved you dearly,  
In death, we do the same.

It broke our hearts to lose you.

You did not go alone.

For part of us went with you,  
The day God called you home.

You left us beautiful memories,

Your love is still our guide.

And although we cannot see you,  
You are always at our side.

Our family chain is broken,  
And nothing seems the same,  
But as God calls us one by one,  
The chain will link again.

### *Change of Address*

*Please be advised that I have moved. I received a call the other day from God and He informed me that my new home was complete. I knew that my mansion needed some finishing touches, and that Jesus Christ had to inspect it and gave me the final approval.*

*On the day of February 22, 2023, he let me know that my mansion was complete and that I could move in. So, he told me go ahead and change my address. Well, my new home is finished and what a sight to behold, it is an exclusive estate area behind beautiful pearly gates.*

*Of course, you know the streets are paved with gold and everyday is Sunday, just like you have been told. Trees of fruit grace my garden here and I can talk and walk with my Master without a worry or care.*

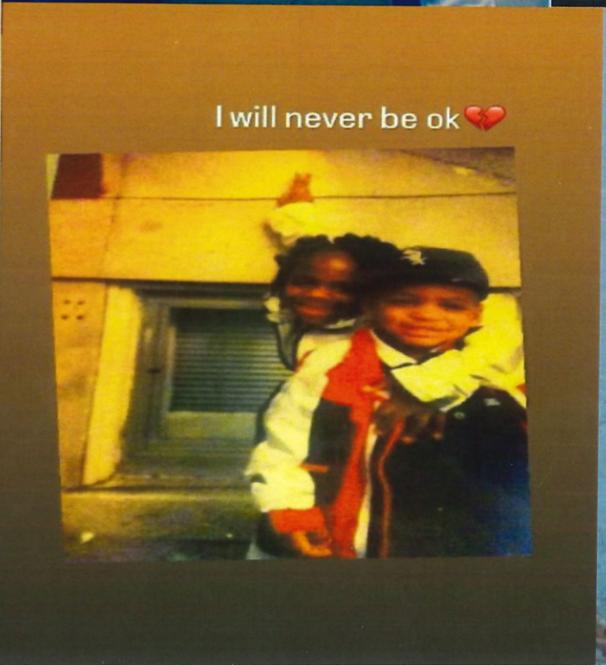

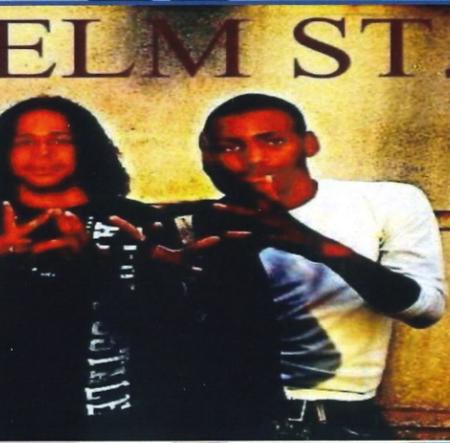

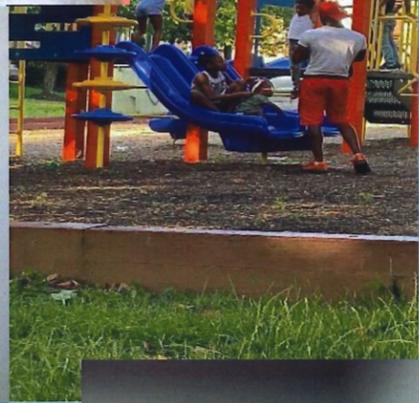

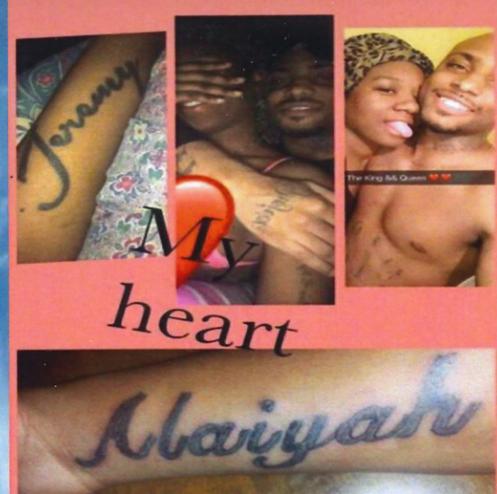

*There is peace here along with joy, happiness, and no pain or headache, strife or discontent, only sweet serenity. I can dine at the Masters beautiful table and listen to a heavenly choir. Best of all, my heavenly father is here in all his glory and oh yes; I have my very own white robe and my own wings.*

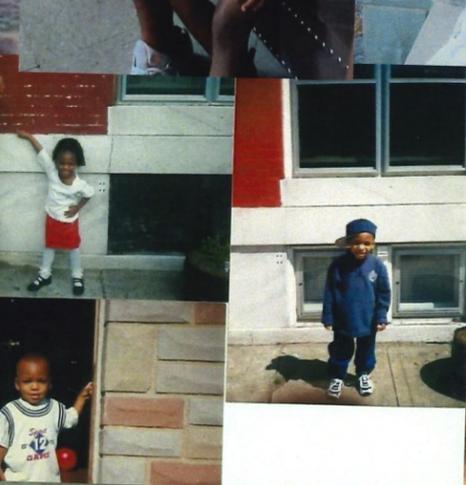

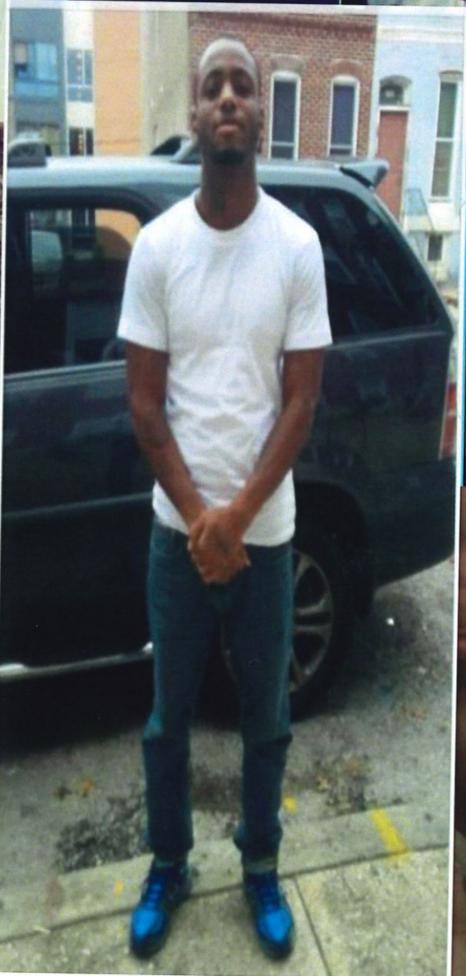

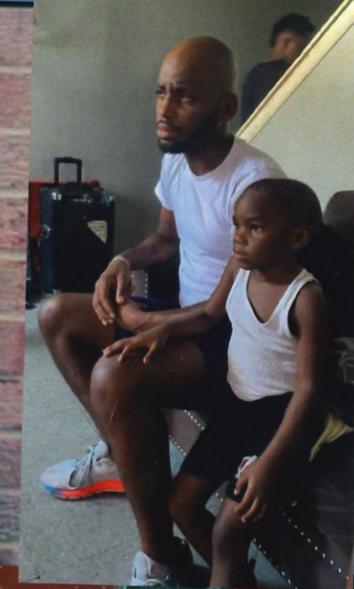

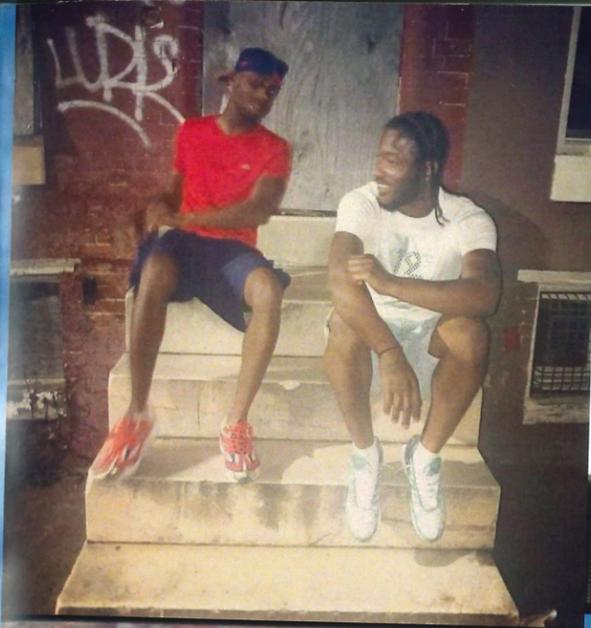

*I can go on and on about my new home, but instead, I'm going to pray that you get here yourself one day. But, before I go, let me give you my new address:*
