

I Never Left You

*I watch you everyday
I am always very near
I know deep in your heart
You realize I am here
I watch you while you sleep
In your bed at home
I hear you when you speak to me
When you are on your own
You cannot understand
The reason why I have gone
But I will never leave you
I am there to keep you strong
Talk to me I hear you
Though you may not see
We share an unbroken bond
That will always be
Death won't keep us apart
For your love is forever
Just remember me in your heart
And one day we will be together
Live your life and live it full
Don't waste a single day
Remember I am always with you
Every step of the way*
