Tribute for My MOTHER

My mother was a true legend with tremendous courage and strength. The strength to endure the pain from the beginning to the end. Her untimely demise has my heart so heavy. She had the strength of an ox, but was as stubborn as a mule. She had a laughter that would fill a room. She had a contagious smile that would warm your heart. I remember those words from my mother that calmed my fears. The touch from heart that melt my heart. I watched over you many times, as you slept and I can't believe you slipped away while I was asleep. Your legacy we will carry, dear Mama, you are a true legend. We love you, as you would say....Miss Jacqueline

I'm Not A SPRING CHICKEN ANYMORE

I'm not as strong as I used to be, and sometimes I forget things. But I have no complaints because God is always with me and I am always blessed....Marilyn
