~ Tributes ~

Those special memories of you
will always bring a smile
if only I could have you back for
just a little while
Then we could sit and talk again
just like we use to do
you always meant so very much
and always will
do to the fact that your're no
longer here will
always cause me pain but you're
forever in my heart
until we meet again.
Love Your Ne-Ne/Girlie

God's Garden
God looked around his garden
and found a empty spot
Then he looked down upon this
earth and saw your tired face
He put his arms around you and
lifted you to rest.
God's garden must
be beautiful he took the best, You
left me with memories full of
laughter and love, I'll never
forget but there's a ache in my
heart knowing I'll never get
to see you again".
Love your Rusty
