**Wind Beneath My Wings**

*Oh, oh, oh, oh*

*It must have been cold there in my shadow  
To never have sunlight on your face  
You were content to let me shine, that's your way  
You always walked a step behind*

*So I was the one with all the glory  
While you were the one with all the strength  
A beautiful face without a name for so long  
A beautiful smile to hide the pain*

*It might have appeared to go unnoticed  
But I've got it all here in my heart  
I want you to know, I know the truth, of course I know it  
I would be nothing without you*

*Did I ever tell you, you're my hero?  
You're everything, everything I wish I could be  
Oh, and I, I could fly higher than an eagle  
For you are the wind beneath my wings  
'Cause you are the wind beneath my wings*

*Oh, the wind beneath my wings  
You, you, you, you are the wind beneath my wings  
Fly, fly, fly away, you let me fly so high  
Oh, you, you, you, the wind beneath my wings  
Oh, you, you, you, the wind beneath my wings*

*Fly, fly, so high against the sky  
So high I almost touch the sky  
Thank you, thank you  
Thank God for you, the wind beneath my wings*
