It is with great sadness that we announce the passing of our dear mother, daughter, granddaughter, niece, cousin, god daughter and friend.

Cynthia passed away suddenly on December 17th, 2022 at 6:44pm with her family by her side at St Anthony's General Hospital. She was 45 years old.

Cynthia was born on July 7th, 1977 to the late Harvey and Eleanor Brightnose at Thompson General Hospital but grew up in Pikwitonei, Manitoba. She really enjoyed being with friends and family. Cynthia was peculiar in her own ways, she had a great personality, very humorous. She never failed to have a comeback. She loved everyone's children; her children were her world. Cynthia made friends everywhere she went. She grew up in Pik till the age of 16 and she moved to Winnipeg. Our mother was a people's person. She had her own language when she didn't get her way, everything had to be done then and there when she asked for something.

Our mother would always have a story to tell so you better get ready to be there for awhile, that's where we all learned patience. Whenever we would go shopping it would never fail where she would get stopped or stop to talk to a friend.

She had her own way of showing compassion for others. As dysfunctional as life was for her, she always loved to be around her family and would try to make the best of everything for her kids as well. Cynthia was liked by many people wherever presence was made, there was never a dull moment.

Our mother would also brag about her unlimited limo rides she would get from Beatrice Wilson Health Center.

She would always make time for her children when they needed someone to talk to or need help with something. She would always try to send us home with some of whatever she found in her cupboard even when she would hardly have any.
