“We’ll Meet Again”

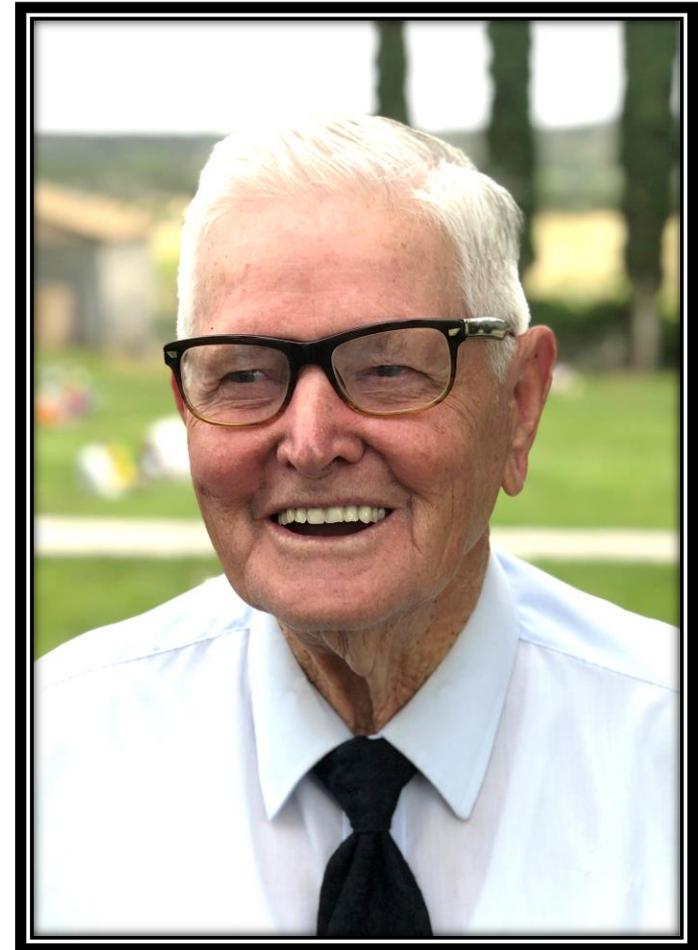

Let's say goodbye with a smile, dear. Just for a while, dear
We must part. Don't let this parting upset you
I'll not forget you, sweetheart
We'll meet again. Don't know where. Don't know when
But I know we'll meet again some sunny day
Keep smiling through. Just like you always do
'Till the blue skies drive the dark clouds far away
So will you please say hello, To the folks that I know
Tell them I won't be long. They'll be happy to know
That as you saw me go, I was singing this song
We'll meet again. Don't know where. Don't know when
But I know we'll meet again some sunny day...
