*Celebrating the Life of
Nawassa Liann Greenwell
1961 - 2026*

*Our dear sister,
Nawassa Liann (Yates)
Greenwell, 64, passed away
on Tuesday July 7, 2026, in
Camdenton, Missouri. Her
breast cancer had returned*

*and metastasized to her liver, much to our
surprise. However, Nawassa was true to her faith
in God and salvation to the end.*

*Nawassa was born in Jackson County,
Missouri to Vincent and Barbara (Napier)
Yates on September 16, 1961. Her siblings
are Wallace (wife Geraldine), Nancy (Husband
Roma) Harrison, Don (Sue), Bootie or Arlen,
Debbie (Mike) Evans, Errol (Debbie), Leat
Stanley, Gayland, Preston (Kimberly), Jairus
(Kimberle), Loyah (Mike) Vannicolo, and
Liauna (Troy) Metscher, and many nieces and
nephews. Nawassa was preceded in death by
her husband Mike, her parents, and four of her
siblings: Wallace, Nancy, Bootie, and Gayland.*

*Nawassa graduated from Skyline High School
in Urbana, Missouri, in 1979. She continued life-
long friendships with so many of her classmates.*

*Nawassa married Gary Ball in January
1981 and they had three children: Candace
(Cesar) Irizarry, Colton (Lacey) Greenwell, and
Ashley (Justin) Hilton. Nawassa married Michael
Greenwell in 1987. To this union was born*

*Zachary Greenwell. Mike adopted
Nawassa's older children, gave
them his name, and treated
them all as his own. Nawassa
had seventeen grandchildren
and one great-granddaughter at
the time of her death.*

*Nawassa's faith was demonstrated in
the way she taught her children, the way she
prayed for others, the way she asked for prayer,
the way she treated others, and the way she
lived her life day to day. She encouraged
all to develop and cultivate a life of faith.
Nawassa was a member of The Church
of Christ (with the Elijah Message, the Assured
Way of the Lord).*
