My Loving Hand

I have lovingly placed
my hand here for you.
May my handprint always be
a reminder of my deep love so true.
Whenever you are sad or lonely
and long for my caring touch,
place your hand on this print
and know that I love you very much.
Through the trials of this life
that you must still cope,
may my handprint bring you
comfort, joy and hope.
When love has been planted
within a loving heart,
always remember
that through this love,
we will never be apart.
