TRIBUTES

I NEVER SAID GOOD-BYE

*I never got the chance to say I love you; I never got the chance to say I'll miss you. Nobody told me that you were going to die. It hurts, I never said GOOD-BYE. Where are you now? Please talk to me. Show yourself and let me see. I know that can't happen no matter how much I try. All I wanted to do is say GOOD-BYE. I hope that you are happy wherever you are, I have you in my heart no matter how far. To the heavens above, I wish I could fly. Only to give you a warm GOOD-BYE. I will remember you each day that I live. You were such a good person with so much to give. Such a privilege to have known you, no one can deny. I think it might be time to say GOOD-BYE. I will keep with me the good times that we shared; I want you to know just how much I really cared. Till we meet again, on God we must rely, I love you, I miss you and for now, GOOD-BYE...
Love Your Princess, Emery*

What Is An Uncle

*An Uncle is a special gift,
Received from God above.*

*He starts out with kindness, then adds an abundance of love. He taught you to do so many things, just as if he were your dad. You could talk to him about anything, then suddenly things didn't seem so bad. His devotion is unconditional, to that there is no end. And as you get older. He becomes more like a friend. He is always willing to help you, Any way that he can. Watching you grow up; he was your biggest fan. He has tremendous faith in you, He just has that special touch. It's no wonder then dear Uncle, why you are loved so much!
Your Niece Tyesha*

TRIBUTES

To My Dear Son

My hands feel empty without your touch. My arms ache for your embrace. My heart yearns for your sweet smile, your cheeky laugh that filled these walls. My house is silent now without your cheerful voice, the warmth of your presence filling every room. But you remain forever in my memory, my son, filling the void in my heart with your unconditional love. My arms are no longer empty, wrapped around you once more. Until then, I'll keep you close, my precious boy. Missing you always, yet grateful you were mine, for however long.

Love Mom

Once In A Lifetime

Once in a lifetime, if you are truly lucky, you meet someone whose presence ignites a burning fire within you. Someone whose warm smile and sensitive nature captures your heart. And you know in an instant, that the two of you were meant to be together. That's exactly how I feel about you. You are my "Once in a Lifetime." And even though I may not show it as often as I should have, I know how truly blessed I am to have had you in my life. You are everything to me and I will spend "forever." loving you.

Always Love, Shun

In Memory of a Special Brother

Today is full of memories of a brother laid to rest, and every single one of them is filled with happiness. For you were someone special always such a joy to know, and there was so much pain when it was time to let you go. That's why this special message is sent to heaven above, for the angels to take care of you and give you all my love.

Love Erica

To My Brother

You showed me a lot of things.
I learned a lot I didn't know,
But you forgot to teach me one last thing – How to let you go.
I know you didn't mean to leave me;
Sometimes we have no choice.
I miss being your little sister,
Hearing my name called by your voice.
I wish I got to say "I Love You"
Before you were given to the sky.
If God could grant me one last wish,
I'd ask to say "Goodbye."
You always meant a lot to me.
I could never love you less,
I know it's true when they say,
"He only takes the best.

Your Loving Big Sister Viola

TO MY UNCLE

For all the times that I forgot to thank you. Thank you for being there when I need you most. Thank you for all the special & little things you've done.
Thank you for all the words that sometimes go unspoken. I don't know what I did to deserve a special uncle like you! I have so many memories of the times we spent together, and even though you're no longer here, I'll cherish them forever. I miss your laughter so much and the mischief in your smile. When I feel the sadness welling up, I'll remember it for a while.
Love Your Beloved Niece Ashley
