A Letter to My Brother

They say there is a reason.
They say that time will heal, but we all know that is far from the truth.
Brother you were gone before we knew it, and only God knows why.
If love alone could have saved you, you would have never died, because guess what...
brother you are LOVED!
In life I loved you dearly and in death I love you still.

I can see your smile and hear your voice telling me "Sis it will be ok, you always been the strong one, just make sure Rell and Tez are good, I love you sis."
Brother, I know you are in a better place, but this pain will never heal.
Brother, continue to watch over us!
Your Sister, Tiere
