

*I do believe that God above
Created you for me to love
He picked you out from all the rest
Because he knew I'd love you the best*

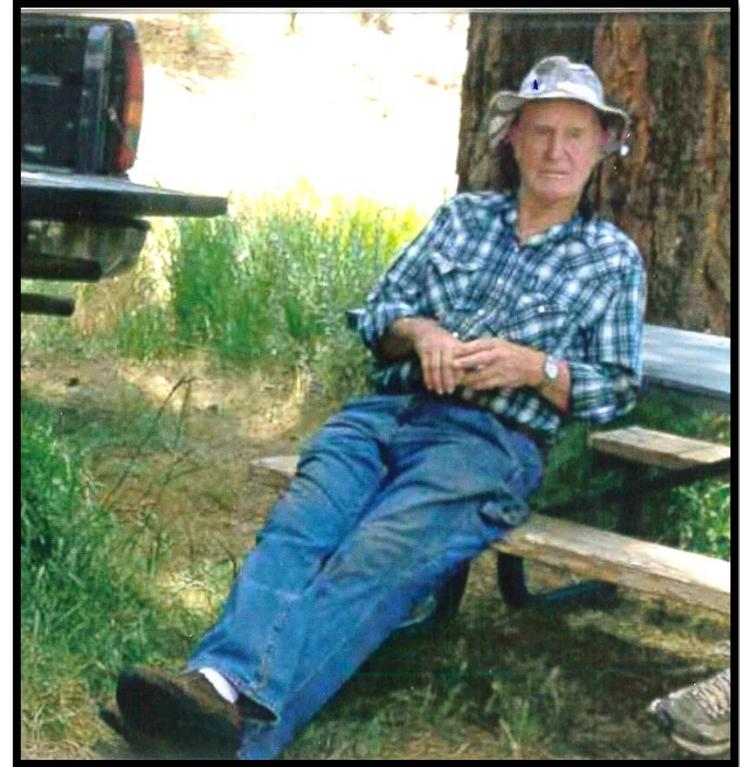

*I once had a heart so brave and true
But now it's gone from me to you
So, take care of that heart as I have done
For you have two and I have one*

*If I go to Heaven and you're not there
I'll paint your name on the Golden Stair
And if you're not there on judgement day
I'll know you went the other way*

*I'll give the Angels back their wings,
Their halos, harps and other things
And just to show my love is true
I'll go to hell just for you*

*If in Heaven we don't meet
Hand-in-hand we'll stand the heat
And if it gets intensely hot,
Cherry Pepsi will hit the spot!*
