Laura graduated from Elk River Area High School in 2000. She then attended the Aveda Institute, where she obtained her cosmetology license. She dedicated 11 years to the cosmetology industry, building meaningful connections with clients and colleagues alike. After the birth of her second child, Laura chose to devote her life fully to her greatest calling-being a mother. Her children were truly her world, she poured her heart into raising them with love, strength, and faith.

Laura had a deep love for her French Bulldogs-Marty, Bella, and Greta-who brought her great joy. She enjoyed shopping, listening to country music, and carefully finding the perfect pieces to make her home warm and beautiful. Laura was a loyal and devoted friend, holding her friendships close throughout her life. Known for her honesty and strength, she was never afraid to speak the truth and stand firmly in who she was.

Above all, Laura's faith, love for her family, and unwavering devotion to those she cherished defined her life. She will be remembered for her strong spirit, generous heart, and the profound love she gave so freely.

Laura's life was a blessing, her memory a treasure, and she will forever remain in the hearts of those who loved her.

In loving memory of Laura, we've established a memorial fund to honor her beautiful spirit. Every donation will provide tuition assistance to a family impacted by cancer, helping ease the financial burden during an already difficult time and giving students the chance to pursue their dreams. Your support keeps Laura's light shining through acts of kindness and hope. Thank you for helping us make a difference.

Gifts can be made online at:
