*Let Us Take Time
Let us take time every morning
To turn to our God and say
Thanks for another restful night
And the dawn of a brand new day.
Thank You for the blessings and gifts
You've given us all these years,
And for the times You helped us through
Life's many heart-aches and tears.
Thank You for the beautiful world,
For the flowers and the birds and the trees,
And for so many precious children
We thank you for all of these.
Your blessings and gifts outnumber by far,
The stars that shine above
But the one we treasure the most of all
Is Your overwhelming love!*
