The Puzzle Doesn't Fit Anymore The Middle Piece is Missing

Our puzzle doesn't fit anymore
because the middle piece is missing.

We have looked all over for it
but it seems to have gone away.

It was always where we left it
even when we did not want to play.
But when we took it down the other day
The middle piece was missing,
so we just put it away.

We wish we could find that middle piece
and restore it to its rightful place.
But we know it's found a new home
and is preparing a new puzzle base.

One day we will take the puzzle down
Because the first and last pieces will meet
And the middle of the puzzle
Will be waiting to make it complete.

Until then, the puzzle will just gather dust
Because we don't feel like playing anymore.

On that day all pieces will fit
and the puzzle will again be restored.

Love always

I'm Free

Don't grieve for me, for now I'm free,
 I'm following the path God laid for me.
 I took his hand when I heard his call,
 I turned my back and left it all.
 I could not stay another day,
 To laugh, to love, to work, to play.
 Tasks left undone must stay that way,
 I've found that peace at the close of the day.
 If my parting has left a void,
 Then fill it with remembered joy.
 A friendship shared, a laugh, a kiss,
 Ah yes, these things I too will miss.
 Be not burdened with times of sorrow,
 I wish you the sunshine of tomorrow.
 My Life's been full, I savored much,
 Good friends, good times, a loved one's touch,
 Perhaps my time seemed all too brief,
 Don't lengthen it now with undue grief.
 Lift up your heart and share with me,
 God wanted me now, He set me free!

Always remembered, always loved.
