

In Loving Memory

**Your Mother is always with you.
She's the whisper of leaves
as you walk down the street,
she's the smell of certain foods you remember,
flowers you pick, the fragrances of life itself.
She's the cool hand on your brow
when you're feeling not well,
She's your breath in the air on a cold winter's day.
She is the sound of the rain that lulls you to sleep,
the colors of a rainbow, she is Christmas morning.
Your mother lives inside your laughter.
She's the place you came from, your first home,
and she's the map you follow
with every step you take.
She's your first love, your first friend,
even your first enemy,
but nothing on earth can separate you.
Not time, not space...not even death.**
