WHEN TOMORROW STARTS WITHOUT ME

- by David M. Romano

*When tomorrow starts without me
And I'm not here to see
If the sun should rise and find your eyes
Are filled with tears for me*

*I wish so much you wouldn't cry
The way you did today
While thinking of the many things
We didn't get to say*

*I know how much you love me
As much as I love you
And each time you think of me
I know you'll miss me too*

*But when tomorrow starts without me
Please try to understand
That an angel came and called my name
And took me by the hand*

*And said my place was ready
In Heaven far above
And that I'd have to leave behind
All those I dearly love*

*But when I walked through Heaven's gate
I felt so much at home
When God looked down and smiled at me
From His great golden throne*

*He said this is eternity
And all I promised you
Today your life on earth is past
But here it starts anew*

*I promise no tomorrow
For today will always last
And since each day's the same way
There's no longing for the past*

*So when tomorrow starts without me
Don't think we're far apart
For every time you think of me
I'm right here in your heart.*
