

Rapture of My Heart

*Why is it that the thoughts of you bring rapture to my heart
That the image in my mind will cause a strange emotion to start*

*When I walk beside you with you hand hooked to mine
The very angels might envy the feeling, the pressure so divine.*

*Even when I hear your voice when we visit on the phone
I think there is something special about the quality of your tone.*

*I wonder if this is for keeps if this affection will last
And continue for a lifetime as if the plot and play were cast.*

*There is a great director that makes our destinies sure
And we follow our desires into a lifetime sweet and pure.*
