LIFE'S REFLECTIONS

Veronica Shanell "Big Sexy" Love was born on October 12, 1982, in Yazoo City, Mississippi, to Betty Love McCulloch. She accepted Christ at an early age and was baptized at New King Solomon Baptist Church. Veronica attended public schools in Anderson, Indiana, after her mother relocated there. She later moved back to Yazoo City, Mississippi, where she continued her education in the Yazoo City Public Schools.

Veronica brought light and love into the world from the very beginning. She was a devoted mother of twelve (12) children [11 girls and 1 boy] and a proud grandmother of thirteen (13) grandchildren [11 boys and 2 girls]. Her life was deeply rooted in her spiritual upbringing and guided by the desires of her heart.

Veronica was preceded in death by her grandmother, Mirtle Ree Smith, and two uncles: James Love and Rufus Love.

She leaves to cherish her memory through her loving mother, Betty McCulloch; her siblings: Melvin McCulloch Jr, Rosalyn Love, and Demarcus Butler (Kawanda). Her legacy also continues through her children: Anastasia Love, Alexis Love, Anthoneisha Moore, Antionette Moore, LaKeisha Love, Mariah Love, Jamyia Foster, Davionna Talley, Davierra Love, Da'Eric Love, Jazmine Love, and JaKayla Love. Her love also flows through her grandchildren: Ja'hari Love, Azaria Webster, Ke'Lani Love, Ja'Kobi Love, Ja'hki Epps, Ja'Sean Love, Josiah Webster, Jaden Webster, Ke'Mauryion Love-Williams, Karter Mills, Deonte Kelly Jr., and D'Angelo Cannady Jr., who will forever carry forth the joy she brought into their lives. She also leaves behind her cherished aunt, Stella Hackett (Major); her uncles: Charles Love, Michael Love, Eddie Love, and Marcus Love; seven nephews; four nieces; and a host of cousins and friends who will continue to celebrate her life and hold her memory dear.

The family extends heartfelt appreciation to David Talley, father of her children; Gloria Rose, mother-in-law; her god-daughter, Dorian Henry; and two special friends: Stephanie Stevens and Loretta Williams. Your love and support were invaluable blessings that helped lighten Veronica's path with grace.

Veronica's presence will be deeply missed and never forgotten. May her memory bring comfort to all who knew her and may the love she gave so freely continue to live on through those she touched.

Recessional	Clergy, Family and Friends

TRIBUTES FROM HER LOVING 12 CHILDREN

Roses are red, violets are blue,
You're the world's best mom, and I deeply love you.

Ja'Kayla

The heart of a home is a mother whose love is warm and true,
And home has always been "sweet home"
With a wonderful mother like you!

Jazmine

The one and only true in the flesh my mother was truly the best,
you know she loved us, and she hugged us, before she passed
Which made us very sad won't even lie she was the best may she
lay down and rest, rest her mind, body and soul now she passed her
stories will be told. From young, to teenage to adult, to old every
story will be told, and it is all valuable just like diamonds or gold
she would always shine, and she will always be mine.

Da'Eric

In soft whispers of the breeze, I feel your presence through the trees.

Though gone from sight, your love remains,
A guiding star through sun and rains.

Your laughter echoes in my heart, a masterpiece, a work of art.

I cherish memories we've made,
In fields of joy, where we have played.
Though grief may linger, love transcends,
A bond unbreakable, that never ends.

Your spirit lives, forever bright,
A beacon shining in the night

Davi'erra

Your love was a steady light,
guiding me through every night.
Even though you've gone away,
your warmth still colors every day.

I hear you in the quiet air,
in laughter, in the way hearts care.
The lessons you left will never fade,
in me, your spirit's forever laid.

Though my heart aches, I know it's true,
every beat still carries you.

And while the world feels less complete,
your love makes every memory sweet

Davi-onna

You were more than love you were my everything,
my provider, my strength.

Through every rough time, you stayed.
Through every grind, you pushed.

No matter where life took us, you never let me down
I carry you in my heart forever and always.

Rest easy, I'll love you forever.

Mariah

Never thought this moment would come so soon. From you sitting
in the stance yelling my name telling me how good I'm doing. To
you up above cheering me on from a distance, it doesn't feel right.

Just want to tell you thank you for everything you did. I know
everybody is thankful for somebody but as a child to her mother,
it's deeper than you see. It hurts, but I'm glad I can keep my head
up and keep pushing knowing you taught me well and left with a
legacy behind. You're forever in my soul. Fly high MADUKES.

Jamyia

Even though I can no longer hold you in my arms, I will always
and still hold you in my heart. My gratitude for your love and
guidance, acknowledges the pain of your absence, and celebrates
the lasting impact of your spirit and lessons you have taught me.
Using a phrase like, "Thank You for everything momma", and I
will pass it on down to my kids just like you taught me and will
always recall this a cherished memory. I love you momma.

La'keisha

You can only have one mother, patient kind and true, no other
friend in all the world will be the same to you. When other friends
forsake you to mother you will return for all her loving kindness.

She asks nothing in return. As we look upon her picture, sweet
memories we recall of a face so full of sunshine and a smile for one
and all. Sweet Jesus, take this message to our dear mother up above
tell her how we miss her and give her all our love.

Antionette

You'll always be a part of everything I see. Thank you, dear
mother, for your part. You live eternally within my heart.

Anthoneisha

A Mother loves right from the start.
She holds her baby close to her heart.
The bond that grows will never falter.
Her love is so strong it will never alter.

A Mother gives never ending Love.
She never feels that she has given enough.
For you she will always do her best.

Constantly working, there's no time to rest.
A Mother is there when things go wrong.

A hug and a kiss to help us along.
Always there when we need her near.

Gently wipes our eyes when we shed a tear.
So, on this day shower your Mother with love
And know she's forever watching from above

Alexis

Mama, I don't know where to start. When it comes to believing
you're gone forever, my heart is broken and I'm not okay! Never
thought it would come to this day where I would be putting "RIP"
before your name. I'm not ready to let go. Love your first born.

Anastasha
