

**MISS ME BUT LET ME GO**

*Helen Steiner Rice*

We feel so sad when those we love  
Are touched by death's dark hand,  
But it would ease our sorrow  
If we could but understand  
That death is just a gateway  
That all men must pass through  
And on the other side of death,  
In a world that is bright and new,  
Our loved ones wait to welcome us  
To that land free from tears  
Where joy becomes eternal  
And time is not counted by years

*Thank you for your kind words and for being with us during this difficult time. We are so grateful for your support and love..... The Bradshaw Family*

## OBITUARY

Hurvy Edward Bradshaw was born on January 7, 1941, in Manning, South Carolina, to Eleanor Horton & John Taylor Bradshaw. Hurvy was raised with strong values that would guide him throughout his life. He graduated from Manning Trade School in 1961 and moved to White Plains, New York in 1962. Determined to further his education while working full-time at Grand Union, he attended Westchester Community College and later continued his studies at Empire State College and the University of Purchase.

Hurvy dedicated his professional life to empowering young people. After completing college, he began working for the Neighborhood Youth Corps as an employment training counselor. In this role, he found his calling—encouraging youth to pursue their goals and helping them find pathways into college or vocational training programs. His work at the Carver Center & Slater Center further exemplified his lifelong dedication to community service and mentorship.

A man of deep faith, Hurvy joined Mt. Hope AME Zion Church in 1982 alongside his brother Hampton. He served faithfully as President of the Male Chorus, member of the Steward Board., Men's Day Committee, and co-sponsored many church fundraisers. His devotion to God was evident in every aspect of his life; he served both his church and community with love and respect.

Hurvy's love for nature was reflected in the vibrant gardens he cultivated each morning beginning at sunrise. Whether tending apple trees or nurturing rows of tomatoes, cucumbers, peppers, collards, cabbage, and pears at his home in South Carolina, he found joy in the earth's bounty. His home was always surrounded by a beautiful array of flowers and plants—each one known by name—a testament to his care and attention.

He is survived by his brother Hampton Bradshaw and sister-in-law Arlinda Bradshaw of White Plains, NY; and Sister Ella Bradshaw of White Plains, NY. He was predeceased by three brothers—Charley Bradshaw, Henry Bradshaw, John T. Bradshaw—and three sisters—Rosa Lee Turner, Louvenia Jones, and Rena Gray.

Hurvy will be remembered as a sincere man who was kind-natured, family-oriented, and deeply committed to both faith and service. His legacy lives on through those whose lives he touched with encouragement and care.
