

Letter to My Sisters

When the Lord opened Heaven's gates, I walked in smiling - because mama and grandma were right there waiting on me. their arms wrapped around me like sunlight, and for a moment, I felt whole again. But even in God's glory, I turned back...Thinking of my three girls - Generra, Jackee' and I'Geana. And if you could hear my voice, you hear that little laugh I had before I spoke: "Ya'll forgive me for leaving early. God called my name and I had to go. But, don't think that I left your side. I'm right here - watching, loving and laughing with you. Hold each other tight, trust God, and when I'm missed, just listen for that laugh or remember my smile...I'll let it echo through your hearts until we meet again."
