

So take a moment and think about who and what is important in your life and find the time to do just that, as in the song Blink. For life is just a moment in time, that's gone in the blink of an eye. Vadne did just that, she saw the world in her own way and tried to do everything life offered from traveling, rock hounding, sewing clothes for her children, making wedding dresses, decorating cakes, camping, gardening, crafts, gemology, genealogy, cooking, to her favorite - fishing for walleye. As most of you know Vadne had a love for cardinals. So please show how much she will be missed and that you are thinking of her, by wearing the cardinal pin that has been given to you today. But most of all, Vadne would want you to love the lord with all your heart and do what is most important to you.

God's Garden

God looked around His garden
and He found an empty place.
He then looked down upon this earth,
and saw your tired face.
He put His arms around you
and lifted you to rest.
God's garden must be beautiful,
He always takes the best.
He knew that you were suffering,
He knew you were in pain.
