Whispers of Goodbye

The winds carry whispers of goodbye,
As we gather, teary-eyed, to honor the life you led,
To cherish the word you said.

In the flowers' gentle sway, we see your smile light the way.
In the sun's warm, tender glow, your kindness
continues to show.

Though you're gone, you're always near,
In every laugh, in every tear.
Your spirit lingers, ever bright,
guiding us through the darkest night.
