You brightened up the darkest day and cloudiest sky

Your smile alone warmed hearts

Your laugh was like music to hear

I would give absolutely anything

to have you well and standing near

Your love we will never forget

the hurt will ease in time

Many tears I have seen and cried

They have all poured out like rain

I know that you are happy now and no longer in pain

We will miss you endlessly and love you indefinitely

In Loving Memory Of

Tresse Dream Dion was born February 12, 2004 at Avera St Mary's hospital in Pierre, SD to Marvel Dion and Alvin Traversie. Tresse began her education at Crow Creek Headstart, Crow Creek Elementary School, George McGovern and Edison Middle School of Sioux Falls and Crow Creek High School through her junior year. She played basketball, volleyball and did track throughout her middle school year. Tresse loved listening to music, going on walks, taking pictures, and being with her family and friends. She was a stay at home mom and the best mom to her son, Kyrie Allen. Tresse had a big heart, a comforting voice and laugh, and a beautiful bright smile that would light up a room. In her life she was a friend, mom, daughter, sister, cousin, best friend, girlfriend, auntie, niece and granddaughter. Tresse was a model for a Native American brand, growing up she talked about wanting to become one, her dreams were fulfilled when they asked to come model clothing. Tresse would crack jokes to make you laugh, she had such an amazing sense of humor that is rare to find. She was the first born to her mother and father and she stole everyone's hearts when she was born.

Tresse broke a lot of hearts when she left. She will be greatly missed by all, but we will hold her close in our hearts with all the amazing memories she made with everyone. A contagious laugh, beautiful smile and the deepest dimples that will be missed by all.
